Pool Party Application **Plan your next celebration with us!!** **Birthday guest is FREE** **\$15 per guest**

Party guests will be served a choice of food (pizza, hamburger, cheeseburger, hot dog or chicken fingers), drink (soda, juice or water) and french fries for the table to share. Please bring your own birthday cake and candles/matches. We have a freezer for those who wish to bring an ice cream cake and knives for cutting the cake and serving. Food will be available for non-party guests at an additional cost.

Your party area will be decorated with covered tables and chairs. Our party specialists will set up, serve the food and clean up after the party.

The party will be a total of two (2) hours. The first part will consist of 75 minutes of pool time, which includes use of both pools and the locker room to change clothes after swimming. After swimming the party will move to the party room for the remainder of the celebration.

Swimming will take place during the public sessions, so lifeguards will be on duty throughout that portion of the party. A dedicated party specialist will assist during the entire party. Additional party specialists will be added depending on the number of party guests.

A swimming instructor can be made available during the party. The instructor will lead the party goers in games and fun activities. The cost for the instructor is \$40. This fee is in addition to the per guest fee that is charged for the party.

The minimum age for party participants is seven (7).
